

## IMPORTANT SAFEGUARDS READ AND FOLLOW ALL SAFETY INSTRUCTIONS.

When using electrical equipment, basic safety precautions should always be followed including the following:

- **DISCONNECT AC POWER SUPPLY BEFORE SERVICING.**
- Installation and servicing of this equipment should be performed by qualified service personnel only.
- Ensure that the electrical wiring conforms to the National Electrical Code NEC® and local regulations if applicable.
- Do not mount near gas or electrical heaters.
- Equipment should be mounted in locations and at heights where it will not be readily subjected to tampering by unauthorized personnel.
- The use of accessory equipment not recommended by the manufacturer may cause an unsafe condition.
- Any modification or use of non-original components will void the warranty and product liability.
- Do not use this equipment for other than intended use.

# LE-C1

## Installation Instructions

### Installation

1. Please call a licensed electrician for installation.
2. Use a 1/2" conduit knockout or drill a 7/8" diameter hole through the fixture housing. Make sure the LE-C1 is securely fixed to the luminaire. (Fig.1)
3. Please refer to the wiring diagram below. (Fig. 2)
4. Return power back to the source.
5. Commission the controller via the LiteLogic App.
